To Whom It May Concern

This letter is to verify that I have been involved with Lawrie Alderman through his business Gym Care for last five years.

In his role as a Commercial Fitness Specialist Lawrie became involved with Leisure World upon the centres' inception in 1994.

As a fitness consultant Lawrie recommended and installed the initial equipment for the gymnasium. His recommendation of quality equipment has adequately met the demands of our centre which seasonally can be open up to 100 hours a week.

Gym Care has also provided a prompt equipment back up/ repair service, which has kept our gymnasium at optimum operation.

Further to this Lawrie is always available to offer his professional advice on a wide range of fitness equipment and related issues e.g. - gymnasium design, new products, direct debiting etc.

I highly recommend Gym Care as a professional service which keeps up to date in the ever-changing Fitness Industry.

Gym Care has proved to be an asset in the operation and maintenance of the Fitness Centre at Leisure World.

Yours in Fitness
