

Dear John

Just a quick word of thanks for the great work you and your service team have been doing for us over the last couple of years.

Since we've taken you on board as our gym service & maintenance provider, we have ourselves a gymnasium full of equipment that is always working, runs smoothly and most importantly, is always safe to use. The six monthly service we have been receiving really does help make a world of difference!

Please pass my best onto Ray and the rest of your team, and tell them I'm looking forward to using Gymcare's great service again in the future!
